Description of Supplemental Outreach Activities

Date(s) of Initiative Events: Initiative 8

Describe Nature of Initiative: Establish a training program designed to enable station personnel to acquire skills that could qualify them for higher level positions.

Describe Scope of Broadcasters' Participation (including name of any other sponsoring or participating organizations): Northwest students who are interested in developing communication skills are invited to audition for on-air, news reporting and sports engineer positions. If the audition is successfully completed, then the student enters a formalized, on-going training and evaluation process. Weekly workshops are held and one-on-one evaluation sessions are a part of the training. We participate in career fairs at college level. We offer job shadow opportunities at middle school and higher levels. We participate in enhanced teacher training opportunities.
